

**Typography Direction**

**C O C O O N**

Outlined wordmark artwork. Primary fallback recommendation: Inter or a comparable geometric sans-serif.

**Clear design signals, early.**

Use quiet hierarchy, wide spacing, and a calm neutral system. Let the architectural imagery speak.

**Recommended scale**

Headlines: 56-96 px / 1.0 line-height. Body: 18-22 px / 1.45 line-height. Labels: 12-14 px uppercase.
